CONTINUATION OF REPORT

Brief Details.

On 12 November 2021 between 1230hrs to 1330hrs, I parked my car (SMP5965U) along the road side of South Buona Vista Road (opposite of 24 South Buona Vista road) and went for lunch. When I return to my car, I did not check or notice any damage at the front of my car because I was walking towards my car from the rear of my car. Thereafter, I drove home. I am not sure if there is any CCTV around. But I think there might be CCTV pointing out from the shop from 22, 24, 26 South Buona Vista Road.

At about 1400hrs, I arrived at my residential and parked my car downstairs and head home. I could not remember the lot number. At about 1835hrs, I went to retrieve my car and discovered a dent and scratches on my left front side of the bumper. The front head light also sustain a crack. The front bonnet was slightly out of alignment. Hence, I went to check with my residential security guard who inform there is no CCTV at the vicinity where I parked my car.

I would like to state that there I have an in-car camera in my car; however, it cannot capture any footage when my car engine is off. I have tried to view my footage but to no avail. I suspect the damage occur when I parked along the roadside of South Buona Vista Road when I went for lunch. I do not have any suspect in mind or have any dispute with anyone.
