Brief Details.

At 4:13pm on 7 July 2021, I (FT700L) parked at the slip road, exactly in front of Far East Flora main gate at Thomson Road behind vehicle SMZ4301P. The exact coordinates is 120°10.8"N 10350'12.7"E. From the incident video, it is a dark grey Mitsubishi MPV (model looks like Mitsubishi Outlander).

I went into Far East Flora to purchase a pot of flower and was alerted by Far East Flora staff who attends to scanning customer's temperature at the main gate, that my bike was hit and toppled. I came out of Far East Flora at 4:20pm (after 7 minutes from the start of my parking time) to check on the bike. The bike toppled to the right side and content in my top box was scattered all over the floor. The bike was damage on the right and the top box cracked. Contents like my helmet was scarred and my mobile phone screen cracked.

This is a obvious hit-and-run case by vehicle SMZ4301P. There is no way the driver is unaware of the hit as there would have been a loud noise from the falling. The driver could have reversed the car onto my bike front wheel causing it to fall. My bike was within the driver's view on the right side mirror but I suppose the driver reverse without checking the rear camera view or check the right side mirror. Whatever the case, the driver drove off irresponsibly.

To add on, the motorcycle owner is my fianc (Lim Cheng Liang) and I am the authorised rider under his insurance. There is no pedestrian crossing on this road and I have a video of the vehicle in front of me but I am unable to upload the file here. I am now awaiting another stationery vehicle (parked behind me) to come back to me if his in-car camera captured any footage that might be useful for this case.
