Brief Details.

On 03/11/2021 at about 1840hrs, I was travelling along TPE towards SLE, on the most right lane, near Punggol Road Exit. I was travelling behind SMX6857A and suddenly, said vehicle jammed brake and I quickly performed emergency brake and had managed to stop in time.

Immediately thereafter, the mentioned Taxi then collided onto the rear of my vehicle and my vehicle surged forward slightly. However, my vehicle still did not hit then mentioned SMX6857A. I then got down from my vehicle and spoke to the driver and was informed that the vehicle in front of him (SLR9160A), had also jam brake for unknown reasons and hence, he had to stop immediately.

Said drivers of first 2 vehicles then got down from their vehicle and started taking photos of the accident. Both of them appeared aggressive and immediately blamed the fault onto the said Taxi. I wish to state that I suspected that this might be a staged accident because as soon as the accident happened, another Greyish silver color vehicle arrived within minutes and 3 subject came down from the vehicle, started offering their services and recommending workshops and the mentioned first 2 vehicles had already left.

CONTINUATION OF REPORT

No particulars were taken from the first 2 vehicles as they had left as soon as they are done taking photos of the accident. I did not have the plate number of the mentioned greyish vehicle however, it should be capture in my in-car camera. Said 3 subjects then quickly got onto the vehicle and left as soon as they heard the siren from the Police approaching and hence, the suspicion of the staged accident.

Traffic Police had attended to me and had taken the SD card from my in-car camera.
