Validity of this estimate is 14 days from date of quote. This is a computer generated document, no signature is required. Estimated costs quoted are excluding GST. We would mention that the above estimate is based on our initial inspection and does not include any additional parts or labour which may be required after repair work has commenced. Occasionally worn or damaged parts are discovered after work has started and needed for repairs or replacement. However, should this occur, we would advise you. Please be informed that a deposit of 50% of the above estimate is payable before commencement of the work. Payment for this may be made in cash, credit card or cheque. You must also agree to pay full amount for renewal of the windscreen in the event of inadvertent breakage in the course of renewing the rubber seal or other repair requiring the removal of the windscreen.

Brief Details.

On the 22/11/2021 at about 2000hrs, I was driving my vehicle SDV7000R, Kia, olive green in colour along Bukit Batok Central travelling towards the direction to Bukit Batok CC. When I was travelling near the T-Junction of Bukit Batok Central and Bukit Batok Central, something hit onto my vehicle out of a sudden. I was unable to react as it happens too fast. I then realized that it was a motorcyclist FBP478Y that had collided with my vehicle. I then proceed to stop my vehicle at the side of the road and someone had called for the ambulance. I had also went over to make a check on the motorcycle rider involved in the accident. I saw that he is conscious and able to stand however with injuries on his leg.

The ambulance and the Traffic Police arrived shortly after and interviewed me and the involved motorcycle rider. My vehicle is installed with a front and rear camera and the Traffic Police at scene had also retrieved my vehicle car camera SD card to assist in the investigation.

That is all.
