Brief Details.

On 21 Nov 2021 around 7.10am, I noticed that the front bumper of my car on the driver's side was damaged, including the headlight. Upon reviewing my dashcam footage, I saw that a grey car (SCF3438J) had hit the front of my car on the driver's side around 9.33pm on 20 November 2021. The dash cam footage shows the driver then proceeded to park a few lots down from my car before proceeding to drive off. Up to the point that this police report was made, there have been no attempts from the driver of SCF3439J to reach out to me. During the incident, I was not in my car.
