Brief Details.

On 17/10/2021 at about 1355hrs, when I wanted to retrieve my vehicle bearing SJS8768Y at Blk 542A Serangoon North Avenue 4, 2 male and a female subjects who are washing their vehicle walked towards me informing me that a vehicle bearing SDS905S reversed and knocked my vehicle. I last parked my vehicle at Deck 1A, lot number 57 on 16/10/2021 at about 2200hrs.

I went to checked on my vehicle and observed that the front right side of my vehicle had some damaged to it. Subsequently, the driver of SDS905S came back and I told him that he knocked onto my vehicle. I told him that there are witness that saw what happened. After which, he walked towards the witness and they had an argument. The driver of SDS905S mentioned that the witness and I colluded into blaming him about the damage done on the vehicle.

I then told the guy that I will be making a police report with regards to the matter since he has already denied that he knocked my vehicle. I checked on vehicle SDS905S and saw that the damages are exactly similar to the ones that my vehicle had. The witness mentioned to me that he had indeed saw that the driver of vehicle SDS905S collided with my vehicle. The witness by the name of Mark, Tel: 81520804, 3LU 3276Z informed that he will be my witness if needed be.

wish to state that the driver of vehicle SDS905S parked his vehicle at lot number 58 which is just beside my vehicle. There is a CCTV installed at the carpark.
