**Describe Circumstances of the Accident**

On the stated date and time, I was travelling along the stated Venue.

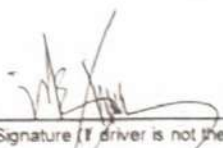

Both my vehicle and vehicle B was turning out from Jalan Awang into Jalan Eunus. I was at the extreme left lane and suddenly vehicle B swerved his vehicle to my lane and collided onto my vehicle.

After the collision, both of us alighted from our vehicles and exchanged our particulars. The driver of vehicle B then apologised to me and admitted it was his mistake by swerving to my lane and collided onto my vehicle due to an unknown motorbike which was travelling straight along Jalan Eunus.

**Declaration**

We declare the foregoing particulars are true in every respect.
