Venue: Incident at Balestier section filtering into Central Express Way between my vehicle SKP5353J and SNA9130C.

I made my way slowly out to Central Express Way and filtered behind vehicle SNA 9130C. We move forward for a short distance, and the vehicle SNA9130C in front of me suddenly stop.

I slam on my break and stop close to his car, not knowing if I hit his vehicle. When I came out to inspect both vehicles, I noted that there wasn't any damage to my vehicle.

I also noted that the other car (SNA9130C) had slight dents from a previous collision. One of the dents shows two orange colour parts. There were no fresh visible damages.

My car is silver in colour, and if I had hit his car, there would probably be black colour marks on my car, but there was none. There was no silver or light colour marks on his car either.

After taking photos, he asked for my name and handphone number. On getting my phone numbers, I asked him to text me his name and phone number, and he replied that the car belonged to his boss.

When I asked him to move to the side of the road to exchange data, he mumbled something like, "I will contact you", and just drove off.

I found his actions and behaviours very suspicious.

Brief details.

On 29/11/2021 at about 1031hrshrs, I was driving along Balestier rd where I was filtering towards the left where there was a vehicle SNA9130C in front of me. There was no oncoming vehicles on the right therefore I moved off behind the said vehicle, but he suddenly jammed his emergency brakes causing me to jam my emergency brakes. I felt no impact therefore I came down my vehicle to make a check and saw no damages on both of our vehicle from the accident but I saw some damages on his car but not due to any impact from the accident he had with me. He then started taking photos of my vehicle and I did the same, afterwards he requested for my personal particulars and I gave him. Afterwards, he informed me that he will contact me and left without providing me his personal particulars and refused to discuss about
