POLICE REPORT (NP299)

CONTINUATION OF REPORT

Report No. D/20210920/7036

SAF SOP, military vehicles must hom before reversing to alert anybody who may not noticed my vehicle. After I homed, I reversed and did my parking with courtion. At this moment, all of a sudden I saw the lony started reversing and I immediately stopped my vehicle and blast my hom. The lony did not stopped despite hearing my hom, so I repeatedly blasted my hom to alert him. However, he still continued reversing and collided into my vehicle.

No personnel was injured in this case.
