<p>I, T4513, CPL Muhammad Nabil, on 060921, at 0720hrs, I was driving a MB 210 (MID 59177) trooptransporting 11 personnel to ECC for their duty. While on my way to ECC at Jalan Bursah roundabout I was hit on the rear right hand side by a civilian truck (XD 9915 X) who realise that he needs to exit Jalan Bursah. From my point of view I was driving correctly on the outer lane as I need to exit after the traffic light and 3SG Thinesh was doing his duty to help me check my left blindspot. I immediately did the necessary actions by stopping the vehicle, turning off the engine, put the wheelchore on the front right wheel and taking necessary informations from the driver and photos as part of the evidence. 3SG Thinesh and 2SG Javis did the checks on the troopers and myself to ensure we are ok. I want to ask the truck driver for his particulars but he was not cooperating with me and insisted he needs to leave the scene. 3SG Thinesh helped me by asking the truck driver for his particulars that's all I have to say.</p>
