Dear Maj Edwin,

ACCIDENT INVOLVING MID21324 AND XE1086K ON 30/09/2021

We refer to the above matter.

According to SAF's accident report, the accident was caused by the negligence driving of civilian driver. When the civilian driver tried to overtake MID vehicle, the left side mirror of civilian truck hit onto the right side mirror of MID vehicle. We have submitted recovery claim against civilian insurer, India International Insurance Pte Ltd(III). However, III denied liability as civilian driver reported that our MID vehicle suddenly cut into his lane and resulted the accident.

Kindly advise if there is any concrete evidence(ie: Video) from your good office. If no, we would like to propose 50/50 due to conflicting version of both parties.

Kindly let us have your instruction. Thank you.

Best Regards,
