Brief Details.

On 29 November 2021 at around 6.35PM, I was travelling along upper Thomson road, on the way home and traffic was moderate. Opposite Meadows at Pierce, I was at the center lane of the road, there was car in front of me that slow down and braked. I also slowed down and braked. After I braked, I heard a bang at left rear of my car and my car jerked forward a little bit. The car in front of me have moved off and I moved my car to the left side of the road. I realized a motorcycle has hit my car and subsequently another car on the left. I then went to check on the motorcyclist after stopping my car on the left side of the road. The police came soon after.
The traffic police then took my SD card from my dash cam, with incident number: F/20211129/0159.
