Dear Hsiao Tong,

- 1 ) It's a one way traffic road, my client was in his lane, he had the right of way.
- 2) Our client's vehicle was not stationary as per the video
- 3) Although, our client was not stationary, there was a vehicle exiting the parking lot, therefore we view that it is only reasonable that our client slowed down and avoid collision with said vehicle.
- 4) Your client should exercise greater caution when attempting to move off in such a situation where there is no 100% safety in doing so.

In view of this matter our client would only accept 100%.

Thank you

Best Regards

Orson
