CONTINUATION OF REPORT

Event Details.

On the 24/11/2021 at about 1030hrs, I was driving my car(SKK7823H) along 23 Toa Payoh East at the second lane and stopped at the junction of Toa Payoh East and Toa Payoh Lorong 7 Junction. SCDF Ambulance(QX1673Z) was at the third lane, which was the left most lane. The third lane was the left turn only lane. As for my lane, I could either turn left or proceed to go straight. My intention was to make a left turn once the traffic light turned green.

When traffic light turned green, I proceeded to make a left turn into Toa Payoh Lorong 7. When I was making the left turn, SCDF Ambulance(QX1673Z) went straight. As such, the SCDF ambulance collided into my vehicle. The left side of my car has a dent and a few scratches. There was no passenger in my car at that point of time. I was also not injured. As for the SCDF ambulance, there were some scratches at the front bumper only. I could see only one passenger and there were no visible injuries seen on the passenger and the driver. I also managed to exchange particulars with the driver of the SCDF ambulance.

I was advised to make a police report by paramedics. As such, I am making this report to put it on record.
