I would want to see the quotes as I estimate the cost at less than \$1k if they insist on \$4k we can go to small claims court as this is fraud

I want to see the cost for the broken part and the cost for painting the panel

Dear Sir

We refer to the above matter.

Please be informed that our surveyor had recommended the Cost of Repairs to be in the range of \$4,000.00 to \$5,000.00 on a without prejudice basis.

Based on our surveyor's assessment, the damage is consistent.

We will only know the claim amount when we received the Letter of Demand from the Third Party solicitor.
