Dear Sir/Madam,

ACCIDENT INVOLVING SKP 7473H(CHINA TAIPING) AND PC 3036Y AT/ALONG 90 HOUGANG AVE 10 HOUGANG MALL OPEN CARPARK ON 09/12/2021

We refer to the above subject matter. We write to inform you that we are the loss adjuster appointed by your motor insurer, China Taiping Insurance (Singapore) Pte Ltd to deal with the third party claim against your policy.

We have received a claim from PC3036Y against your motor insurance policy.

We have reviewed the matter and based on all the available information on hand, we are of the view that we do not have a good defense towards the claim submitted by PC3036Y as your vehicle had collided onto third party parked vehicle. We attached here with a copy of video footage submitted by third party's witness for your easy reference. From the witness video, we observe that you are attempting to park into a parking lot, your vehicle was moving forward and backward and collided onto third party vehicle.

Kindly focus on the video timing 00:42 – 00:54. There is a slight jerk on third party van and we can observe that third party bumper has dislodged after you reversed your vehicle(see attached screenshot). Therefore, we shall proceed to negotiate for an amicable settlement of the third-party claim at best to avoid further litigation, which would escalate to even more cost. Please be assured that we will do our due diligence to mitigate the cost.

Should you however wish to further discuss on the matter prior to our negotiations and settlement, please contact us within 07 days from the date of this letter.

Thank you.
