DESCRIBE CIRCUMSTANCES OF THE ACCIDENT

On 15 Dec 2021 at 2258 hours, I was driving from Street 32, Tampines to Street 23. I did not see any vehicle (with light) coming from the opposite direction. At the 1st junction before turning into the carpark 19 on the right, noticing the coast was clear, I turned my car into the right HDB carpark. Initially, I did not realise that I had hit a motorcycle. Upon investigation, I was told that I hit a rider at the road. When I came towards the rider, he was walking towards a shop to buy something. Then he came back. I asked him if he was injured, he said his left ankle was slight painful. Traffic Police came and took verbal reports from both driver A and driver B. Traffic Police said that there is no need to make a Police Report, this is a GIA case. The ambulance medic ~~checked~~ checked driver B and he said only the left ankle pain. He did not want to go to the hospital.
