Report No. J/20211217/7084

SCG31M came dashing in front of me which I believe that he was beating the red traffic light from his direction of way.

I applied emergency braked and due to the the short distance, My vehicle collided with vehicle (B) SCG31M. I stopped my vehicle immediately to check if my wife and I were injured at the point of accident. We did not suffer any major injury at the moment. So I proceed to check vehicle (B) SCG31M driver if he was fine too before dialing 995 for help. After speaking with the driver of vehicle (B) SCG31M, he seems no physical injury due to the accident collision cause by himself. So I dialed 999 to seek assist from the police officer on the phone.

Around 12 minutes later, SCDF arrived on site and check on us follow by the Traffic Police Officer who then took down our particular and collected our dashcam memory card for investigation.
