**Brief Details.**

On the above mentioned date, time and place, I was driving along Guillemard Rd and wanting to turn right, towards Guillemard Crescent. As such I stop my vehicle (SML3007U) and inch forward bit by bit to see whether there are any oncoming vehicles. From my observation I saw that the road was clear and proceeded to turn right. However when I turned right into Guillemard Crescent, an on coming vehicle (SGH7637S) suddenly appeared and hit my left side of my vehicle near the passenger door. Subsequently both me, the other driver and the passengers step out of the vehicle and went to the side of the road while there was a passerby who called for the ambulance. Subsequently ambulance and Traffic Police arrived. My daughter and son were conveyed to KK Hospital while my wife were conveyed to Raffles Hospital. My daughter suffered a slight chest pain on the side of her chest area and had received 5 days of MC. My son suffered slight arm bruise on the left hand and one tooth had chipped off and had received 6 days of MC. My wife suffered slight backpain and slight chest pain and unsure if any MC was given. My son was conveyed on 18/12/2021 and discharged on the same day. My daughter and wife was conveyed on 18/12/2021 and will be discharged on the 19/12/2021. As for me I did not suffered any injuries and I am not sure about the other parties injuries.
