Brief Details.

On 25/12/21 at about 1539hrs, I parked and was seated in my car along the road in front of 78 Bedok Ria Cres, when I suddenly felt an impact after another from the rear of my car. I alighted from my car and recognized the driver as the resident staying at 76 Bedok Ria Cres. He alighted from his car and I recall he reeked of alcohol when I spoke with him, and he denied hitting my car even though there were visible contact between both of our cars. He then reversed his car and claimed that there were no damage to my car and drove his car back into his unit. I called the police thereafter.

I recognized the driver as on 06/12/21 at about 1303hrs, he had reversed and collided into the rear of my car when it was parked along the road in front of 78 Bedok Ria Cres. I only discovered the damage the next day (07/12/21) while I was washing the car, and played back the in-car camera footage. This was when I discovered that after he reversed and collided into the rear of my car, he alighted and took a few glances at both of our cars before driving off, without leaving his contact details behind. I drove down and confronted him in the evening on 07/12/21, and we reached a private settlement for the damages to my car.
