**Brief Details.**

On 22/12/2021 @0915hrs, I was driving my van (GBF4603D) along PIE towards Tuas and was travelling along the filter lane merging into CTE towards SLE near to Whampoa. While I was negotiating the bend along the merging lane, suddenly a m/taxi (SHD2297G) came out of nowhere and hit onto my vehicle left door. We then exchanged particulars and took photographs of the accident scene and vehicles and left the location. I did call for police as I was injured and so was the other driver but were advised to leave the place by the LTA officer who was at scene. I then seek my own medical attention as I felt pain on my joints and muscles and was given 6 days medical leave. My van was slightly damaged in the accident.
