Dear Hsiao Tong,

We refer to the attached email to Jia Le.

Did TP repairer provide any longer version of video footage apart from the attached (preferably 10 seconds or more before the collision)? From the current evidences we are of the view that our insured driver is not liable however since TP repairer is adamant that our insured driver 'had been driving in an inconsiderate manner' they should provide us the evidence. In addition, our insured's claim was resolved with TP insurer at 100% in our favor.

Kindly inform them that we are not rejecting the claim but we require evidence to prove that our insured driver is negligible.

Thank you.

Dear Jia Le,

We refer to the email from SMRT.

Quote:

Please note that your insured has encroached onto our driver's lane prior to accident and continued to drive between 2 lanes as there are vehicles parking along the right side of the road. As your insured had been driving in an inconsiderate manner, please request for a longer version of video footage (preferably 10 seconds or more before the collision) for our review. We will not hold back any offer if our insured driver has caused this accident.

Unquote

Our assessment is based on evidence that were provided. The attached video footage from our insured vehicle did not show that he was changing lane and was driving at a constant speed. If third party claim that our insured driver was driven manner, please request for a longer version of video footage (preferably 10 seconds or more before the collision) for our review. We will not hold back any offer if our insured driver has caused this accident.

Thank you.

Hi Mr Tee,

We refer to the above matter.

Please be informed that we have maintain rejection as per instruction. However, third party disagreed on our rejection and appeal for 50% as videos clearly showed that our insured was straddling between 2 lanes and had encroached partially onto third party's path prior and during the accident. Third party driver is prepared to escalate the matter to FldRec if we still maintain rejection.

The breakdown of third party claim is as follows: -

1. Cost of Repair	\$ 480.00
2. Loss of Rental (1.5days x \$113.96)	\$ 170.94
3. Loss of Income (1.5days x \$60.00)	\$ 90.00
4. LTA/GIA Search Fee	\$ 5.00
Total	\$ 745.94

Kindly advise if we shall consider to offer 50% or maintain rejection. Thank you.

Dear Jia Le,

We have reviewed TP's video and gathered that TP swerved towards OI's lane causing collision when a TransCab taxi signaled right while overtaking TP. It is clearly the negligence of TP to side swipe OIV.

From OI's video footage, OIV was travelling straight and did not change/swerve to TP's lane.

We shall maintain our position to reject TP claim.

Thank you.
