Without Prejudice

Hi Lee Gek,

We have sought further instruction from AIG for this matter.

Could you provide a longer version of video footage apart from the attached (preferably 10 seconds or more before the collision) for our review? From the current video, it did not show that our driver was changing lane and he was driving at a constant speed.

Please be informed that we are not rejecting the claim but we require evidence to prove that our insured driver is negligible.

Thank you for your kind attention.

“Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement.

In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement.”

Note: We are on work from home arrangement. All correspondence should be made via email. Submission of claim related documents will be in softcopy. Any inconvenience caused is much regretted.
