Hi Sir,

will it be helpful we arrange for a copy for view to see the incident to identify the officer? There must be a reason or record that this sand truck is being stopped.

Based on the video footage, the police officer is standing in front of the sand truck with his bike parked.

If showing video to your end is able assist to identify officer and trace the sand truck vehicle no, we are able to do so.

Can advice if this is possible?

Dennis.
