Describe Circumstances of the Accident

On 27/12/2021 at around 1608hr, I was travelling along Paterson Rd filtering to Orchard Blvd. There was another vehicle B (SMA 49755) in front of my car and both cars were stationary while checking for oncoming traffic before filtering. As the traffic was clear for my car to move forward, I accelerated and accidentally hit into the right side of car B which was still stationary. No one was injured in the accident.
