Subject: RE: SLB 1510K - Pre Repair Survey Report [Autofrance and LKK Auto Consultants]

Dear Sirs,

We refer to the above matter and further to our earlier email of 24 January 2022.

We are instructed that our client wishes to commence the repairs to the Vehicle and proceed thereafter to claim against the third parties directly.

We shall be grateful if LKK Auto Consultants could liaise with Autofrance to conduct the full pre-inspection survey to ascertain all the parts that require repairs and the associated costs of the repairs.

In this regard, we shall be grateful if Autofrance could confer with LKK Auto Consultants on the requirement or necessity to repair each and every item on the Estimate provided by Autofrance, inclusive of those items marked as "Check" and the parts that were discovered subsequently that require repairs (if any) upon the commencement of the dismantling of the vehicle for repairs and prior to proceeding to carry out the repairs to the same.

This is to ensure that LKK Auto Consultants' surveyor will be able to quantify the full extent of the required repairs in his report.

Please do not hesitate to contact the undersigned at 62254313 for if there are any issues with respect to the recommendations for the repairs.

We look forward to hearing from you.

Best regards,
Jeyan Nair
