Sketch Plan

Describe Circumstances of the Accident

On 30/12/2021 (Thursday), at about 6pm, I was travelling on the AYE on the first lane headed towards town when the accident happened. It was drizzling and the road was wet. Distance was kept from the car in front (SNL 5656H). However the first car in front (SNL 12006) did a sudden break which led to the first collision with the car in front (SNL 5656H) and I slowed ~~stop~~ down and jammed break as fast as I could but wasn't avoid the collision with SNL 5656H.

NB. Few minutes after the collision while we (all 3 car owners) were taking photos of the accident, two men in white stopped over and tried to offer advice and asked to send the car to their workshop where they will help to settle the insurance claim.

Declaration

We declare the foregoing particulars are true in every respect.
