Describe Circumstances of the Accident

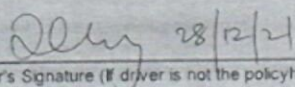

At around 3pm, I stopped my car behind a line of cars along Clementi Avenue 2. When the traffic started moving, I stepped on the accelerator to move forward and bumped into the car in front. Upon impact, I stepped out of the car to check the damages, took photos and exchanged details with the other driver. Then I also saw ~~the~~ another car in front of the car I bumped into. I also took photos of that car.

In the middle of exchanging details, a random man suddenly appeared and gave me a name card. He said I can contact him if I need help, according to name card, he is an accident claims repair and service specialist. But I decided to come down to Audi service centre to report the accident instead.
