**Brief Details.**

On the 1418hrs, I entered the Tengah Air Base Medical Centre driving SAF minibus. As I was driving into one of the lot that is vacant. As I was driving head in into the left lot, I realized that the minibus was getting too close to the left side of the lot. At 1423hrs while I was reversing then I went forward then I heard a sound and immediately dismounted the vehicle. I realized that the minibus had grazed the Suzuki Swift SNC7425E car. I got back into the minibus reversed out from the lot, then drove head into the right lot. Afterwards, I walked back hurriedly to the Tengah Medical Centre and informed LCP Darren Hu of the incident. I also informed LCP Ow Jon Kit the driver of the Suzuki Swift SNC7425E car of the incident. There is no one injured. The minibus sustained light scratches on the bottom of the front left door. The Suzuki swift SNC7425E car sustained light scratches on the front, left bumper of the car.

The driver informed that the car owner is his family member namely,  
Ow Khen Fong

[REDACTED] Jurong West Avenue [REDACTED] Singapore [REDACTED]

My company took several shot of the scene. My company vehicle has a dash camera. I am not too sure of the cost of damage. I am not too sure if there is any CCTV at the vicinity.
