Dear Chee Heng,

We refer to the above matter.

Based on third party car video footage, we are of the view that liability is down against third party. From the video, we observe that third party has swerved to the left lane and swerved back to the right to make a right turn while our insured drove pass on his right. If third party intends to turn right at the junction, he should keep to the right lane.

In view of this, we are intending to reject third party claim.

Kindly let us have your approval/instruction. Thank you.

Best Regards,

Hsiao Tong, Chew (Ms) | Case Handler
