Brief Details.

On 01/01/2022, at about 2000hrs, I was driving my company vehicle, GBJ9351B, along BKE towards Woodlands. As I was approaching the Mandai exit, I was in the first lane. All of a sudden, my vehicle skidded to the left and it hit a car, SMS5726C, that was in front of me, in the second lane. The front left side of my lorry and collided into the rear right side of the car. The was drizzling at that point in time and the road was wet.

Traffic police and ambulance came and the driver of the car was conveyed by the ambulance. I was also found to be drink driving and was arrested at the scene. I had drank 1 bottle of beer at Gul Circle before driving back to Woodlands. I did not sustain any injuries. The front left area of my lorry was slightly dented.

I'm lodging this report as my company's insurance requires a police report.
