Without Prejudice

Dear Sirs/Mdm,

Attached is a copy of our insured accident report and video for your easy reference. It shows that our insured has stopped her car to give way to your client. However, your client just drove in front, reverse without checking and collided onto our insured stationary vehicle. We are of the view that our insured is not negligent.

In view of the above, we regret to inform you that we have our principal instruction to deny liability and unable to look into your client's matter.

Thank you.

"Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement.

In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement."

"Wishing You Happiness & Prosperity Chinese New Year 2022"
