Brief details.

On the above mentioned date, time and location. I was driving my vehicle Black Mercedes G63 (SNC68Z) along Bukit Timah Road. There was 3 lanes and I was in the middle lane. I wanted to change lane to the most left lane and head straight, however the driver (blue BMW - SKX7210H) on the most left lane wanted to turn right. I then collided into his front right of the vehicle. I made a check on the driver and he informed that he was not injured. I was not injured too. I exchanged particulars with the driver.

The driver particulars are
