Sketch Plan

Describe Circumstances of the Accident

On 25 December 2021 at around 6:05pm, I was in vehicle no. SOR 29066 and entering the car park at The Riverwalk, 20 Upper Circular Road. The barrier to the car park rose. After the barrier stopped rising, I drove through.

However, to my shock as I was driving under the barrier the barrier came down and struck my vehicle at its top right-hand corner.

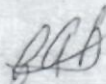

I drove into the car park and then exited again. I stopped the vehicle at the side of the road and then reported the incident to the security guard on duty at the counter in the building. I requested that the guard make a report of the incident to the management. He said he would do so. He added that this has happened several times before.

The weather was wet and the car (including the top) was covered in rain drops. Another guard took photos of the top of my car on the left side.

I then left the building. When the car was dry later that evening, I surveyed the car and noticed the dents and scratches on the top right-hand corner of the car. I have kept a record of the damage through the photos I took.

Declaration

I/We declare the foregoing particulars are true in every respect.
