Dear Sir,

Re: THIRD PARTY CLAIM

We refer to your instruction to appraise the vehicle SKR 8909 B on 20th December 2021.

A static inspection was conducted during our survey and our report is enclosed for your perusal. The estimated repair cost submitted by Messrs. A-Team Motowerkz LLP for \$17,063.00 as per our attached schedule have been inspected thoroughly each and every item and revised by us against the actual damages found on the vehicle which have been recommended by us accordingly.

The repairer has agreed to undertake repairs at our revised amount of \$10,000.00 lump sum corresponding to supply of parts, labour charges and spray-painting. However, we have not given instruction to authorize the repairs.

Under normal circumstances, the estimated period of repairs would be **EIGHT (8) days**. Photographs of the damaged vehicle taken by us during our inspection are enclosed.

We are reverting the matter to you for a decision.

Please do not hesitate to contact us if you need any clarification.

Assuring you of our best services.

Yours faithfully,
