On the stated date, I was at Tampines St 11 and parked my vehicle behind blk 138 Tampines St 11 at lot number 85. About 5.26 pm I return to my vehicle and wanted to exit out from the car park. There was a vehicle parked behind my vehicle. I check my vehicle at the rear, vehicle B was parked slightly away from the white line. Then I decided to reverse my vehicle slowly while checking the white line as a guideline. I open my car door to check the guideline to reach until the marking. After that, I close my vehicle door and shift to D to move forward and suddenly the vehicle B driver notified me to stop my vehicle. I stop my vehicle and went down, then he mentions I collided with his vehicle while reversing. I check my vehicle rear portion there was no mark of collision and vehicle B also had no damage at the front-facing portion. Then the vehicle B driver mention there was damage to his vehicle at the front left side portion. The place of the damage also cannot be the contact point because my vehicle was a flat tailgate and the damage was at the curve point of the vehicle b bumper.
