Brief Details.

On 23th November 2021 about 1600hrs, I walked to my car which was parked at Blk 41 Chai Chee Street at the open space carpark unknown vehicle lot number. Prior start engine, I discovered one scratch mark on the vehicle front left side portion and the front headlights slightly dented.

On 23th December 2021, I sent my car to car service workshop for monthly car service maintenance. I then asked the workshop staff to repair the damages which I discovered. They quoted me a price which I told him to claim from the insurance instead. However, I was told to lodge a Traffic Police report regarding the hit and run accident instead.

I wish to further state that there is no in-car camera.
