Dear Shiau

Thanks alot for your email.

1. The old TMA it was welded on the truck main chassis, very difficult to remove and is major work.
To arrange the crane and dispose of this TMA got additional cost, please refer to the attached supplementary.

2. Repair cost \$19,160, we really can not take this repair, we will inform Kong accordingly, thank you.

3. Stock issue: I just received a call from the supplier 10mins ago, they already got customer interested and want to book the last piece of TMA.

It is confirmed the new stock TMA will only be available in May or June 2022, and price up \$7000-8000 at least, due to the international shipment cost increase.

For your consideration, thank you.

Best Regards

Hi Yi Xin

We are unable to advise First Capital without knowing the cost of the original purchase cost of the TMA. I understand that the insured is unable to produce documents regarding this cost as it is an old TMA. Please request them to provide alternative estimation etc. The original purchase cost is required as the cost of the new TMA cannot be higher than the cost of the damaged TMA.

Without knowledge of the original cost, we are unable to authorize the repair.

Dear Karen and Shiau Chan,

Good morning, client is chasing on this OD case, as they need this for daily operation on their project.

Appreciate if you can assist this and let us have the authorization as soon as possible, thank you.

Please take a note on the new stock price raise issue

We provided some quotation earlier, please take a note that was supplier's old stock price, and supplier has indicated on the price raise in their new coming stock.

ICO quoted the **last unit** /old stock price, which was cheapest, it will be "first come first serve" basis.

The other supplier currently is running out of stock, March to April coming shipment was also fully booked.

Thank you and best regards

Dear Yi Xin,

Your email refers.

Please note that the TMA is an equipment, hence it is not based on market value for the replacement. We would need the purchase price of the damaged TMA for accessment.

Kindly liaise with our surveyor for the necessary.

Dear Shiau Chan,

Kindly liaise with the workshop for the necessary and let us have the report soonest.

Best Regards,

Dear Karen

Good afternoon.

1. This U-MAD TMA is no longer in Singapore market, thus no market value can provide to you
2. This TMA's condition can not be repaired or sell to market to re-use, thus no scrap value or 2nd hand value can provide to you.

Right now i have one supplier got 1 last stock, supplier also got inquiries that interested, as it confirmed a price increase in the new coming stock.

Please let me know your decision, thank you so much.

Dear Karen,

Good afternoon. I don't have this value, as I mentioned before, U-MAD no longer in Singapore market.

Currently LTA approved TMA, there is no U-MAD brand, you can refer to LTA website and find more information.

Subject: TMA OD Claim- Koon XD4937R

Dear Karen

Good morning, it was nice to talk to you, i am more than happy to assist your client Koon's XD4937R OD claim.

Please refer to their OD letter signed by your insured Koon.

There are few things I need to confirm with you, as Koon's TMA was quite some years ago, before LTA launched the TMA approval system.

1. U-MAD TMA is no longer with the market
2. Your insured can't provide TMA purchase or installation documents

3. Your insured doesn't have any LTA approval letter for this TMA
4. Your insured doesn't have driver training record or TMA inspection record
5. Your insured only have XD4937R vehicle inspection every year

Currently LTA approved TMA, removing and installing new estimates around SGD 75,000-80,000, subject stock availability, TMA operator training will be provided too.

It confirmed a price increase in the new stock, due to overall market material, worldwide labour and shipment cost increasing.

Please let us have MS.First Capital confirmation on this OD claim, your surveyor is LKK, authorize us to proceed with this OD repair as soon as possible.

Without your insured providing necessary documents, **MS.First Capital will pay a new LTA approved TMA for Koon**, as U-MAD is no longer with the market.

Without considering any depreciation and further cutting on our bill. Thank you.

Thank you and best regards
