Brief Details.

On 16/01/22 at about 0015hrs, I was driving a taxi bearing registration plate number SHB5139X along Bukit Timah Road towards Sungei Road. Everything was in order.

While travelling on 2nd lane from the left along Junction of Bukit Timah Road and Serangoon Road, I slowly inch out of the junction as I wanted to make a left turn towards Serangoon Road. I wished to state that I have make a left turn signal and inch out at a slow speed. While slowly moving towards serangoon road, I noticed from my left mirror that one motorcycle bearing registration plate number FBD5539K speeding on the left most lane of Bukit Road towards Sungei Road. I noticed that he was speeding and riding quickly without any intention to slow down. Suddenly the said motorcycle collided into the left side of my taxi. I noticed some unknown motorcyclist riding started to shout "Are you drunk" towards my direction while riding pass the accident location. As I did not drink during the course of my work, I asked the rider of FBD5539K. He then stand up after the accident and wanted to confront with me. However, other passerby stopped him from doing so. Ambulance and Traffic Police were called in. I wished to state that the left most lane has a signal on the road stating that it is for turning left only while the second left most lane was for going straight and turning left.

Ambulance and Traffic Police arrived shortly reference to incident A/20220116/0005. Ambulance made a check on the rider and the rider refused to conveyed even though his friend from the passerby informed that the rider had suffered cuts and abrasion. Traffic Police Officer get the facts from me and advised me that to settle the issue with my company from SMRT Taxi. The Officers also mentioned that the rider was being bandaged up by the ambulance. My vehicle have suffered the following damages:

- 1) Left rear tire puncture
- 2) Left side mirror cover damaged and came off
- 3) Left rear bumper dislodged
- 4) scratches on left rear petrol cover

I wished to state that the rider was speeding from Bukit Timah Road and he should not be going straight on the left most lane. After being advised by Traffic Police, I contacted SMRT Taxi company and they activated a tow truck for me. While waiting for the tow truck to arrive, I notice there was one vehicle bearing registration plate number SGT1871H stopped behind my damaged taxi. I noticed that he followed my taxi even after my taxi have been towed away by tow truck driver (YL7313S). However, I have taken out all the money inside the taxi and secured the taxi. However, I am unsure if the driver of SGT1871H did followed all my taxi all the way to SMRT Woodlands workshop. In addition, I wished to state that there was a in car camera memory card locked in the taxi and can be only taken out by the SMRT Workshop staffs.
