**Brief Details.**

I was parked along Singtel ComCentre on Killiney Road from 11am. When I returned to my vehicle at 4.30pm, I saw a note from a witness letting me know that someone has bang my car from the rear and left. I checked my car camera and indeed someone has banged into my car when trying to park. Upon inspection a piece of the cover on the rear bumper has fallen off and there are some dents (could not see from the photos). I have also attached video footage of the incident. The owner of the other vehicle just left without leaving any notes.
