On the 22/01/2022 at 1608hrs, I was driving my car bearing registration number SLX5878H at the Basement 2 car park of The Promenade @ Pelikat. As there was no available car parking lot, I stopped my car in front of one car bearing registration number SJS2624T for any available parking lot. All of a sudden, the car that was in front of me, reverse and collided onto the front portion of my car. After the collision happened, I came out from my vehicle and make a check. I discovered that the front portion of my car was damaged. The driver admitted that he did not noticed my car was behind him when he was reversing. I requested to exchange for particulars and he mentioned that he will settle the issue with my car rental company as my car was a rental car and he did not furnish his particulars to me. I wish to state
