MERCEDES BENZ/ GLB200 PROGRESSIVE

Engine No.:
28291480421229

Chassis No.:
W1N2476872W068676

Recall Details

Recall No.: R2021040975 ^

Manufacturer Recall Date:

19 Mar 2021

Estimated Completion Year of Recall:

2021

Brief Description (As Provided by Motor Dealer):

Mercedes-Benz AG has determined that the behavior of the emergency call system may not correspond to the specifications in certain vehicles. In this case, a temporary drop in the on-board electrical system voltage as a result of an accident could mean that the vehicle position communicated in the emergency call may not correspond with the actual position.

Date Rectified:

-
