Hi Gerald,

We have spoken to insured Mr Eng on 14/02/2022 and advised him that third party had submitted a copy of video footage to show his lorry reversed and collided onto third party parked vehicle. As there is evidence to support third party claim, he agreed to let insurance to settle the matter at best.

In view of this, we will proceed DS for this matter.

Thank you.

Attached is a copy of clearer video footage from third party for your easy reference. The video shows that our insured reversed his lorry and collided onto third party parked vehicle. We are of the view that liability is not in our driver favour.

Kindly advise if we may proceed DS as third party wants to confirm liability before survey.

Thank you.
