No. of Days granted Medical Leave	NIL	Degree of Injury	NIL

Brief Details.

On 08.02.2022, at about 0710hrs, I was driving my lorry bearing reg no GBB9105M along PIE towards Jurong. As I was driving along PIE, near to Toa Payoh, the road surface was wet as it was raining.

At that point of time, the road traffic was quite heavy. I was traveling along the second lane from the right. There was a vehicle bearing reg no SLC3389B ahead of me and the vehicle applied a sudden brake. I couldn't stop in time and collided onto the vehicle.

The male driver and myself came out of my vehicle and took some photos of the damages of our vehicle. The other driver then told me to drive to the shoulder lane as the traffic was heavy. Before I started driving to the shoulder lane, I noticed that there was another male subject from another unknown vehicle came over and took over the wheel for the vehicle SLC3389B and drove off. I then proceeded to the shoulder lane however, I did not see the any vehicle at the shoulder lane.

I wish to state that I did not managed to speak to the other driver or managed to get his particulars. I am lodging this report for record purpose.
