

SKETCH PLAN

DESCRIBE CIRCUMSTANCES OF THE ACCIDENT

At 11.15am on 31/01/22, I was reversing my car, SJE 2078T to park at BIK 175, Amk Ave 4 Carpark.

Before reversing, I looked at my left side & no other car was seen. Then I looked at the right side & slowly reversed.

Before I can turn to my left side, I heard a bang sound & saw this vehicle GBF 390T was right at my car front left side.

I came down from my car & saw my car was dented on the front left side.

We exchanged my NRIC & his S-Pass particulars, as well as photo-taking.

There is a vehicle nearby waiting for us to move our cars & clear the way so that he can go out. I approached this driver, Mr. Kai to be my witness & he agreed. He gave me his handphone no. immediately.
