Brief Details.

On the above mentioned date and time, I was driving my vehicle GBL1784C along Upper Thomson Road, heading towards Lornie Road direction. The road was dry and the traffic was heavy at the point of time. At the time when I made my right turn towards Hai Lum Sua temple, I had ensured that it was safe and the traffic was halted due to the traffic signal being red. As I was making the turn, suddenly, another vehicle SGC9001P who was travelling along the bus lane collided onto the left of my vehicle, at the left passenger door area.

My wife who was seated at the left passenger seat at the time of accident, was seen bleeding on her left side of her head and she further informed that she felt pain and discomfort as such, ambulance was activated to scene. My wife was subsequently conveyed to Tan Tock Seng Hospital by the paramedics at scene and police came to scene. My in-car camera SD card had been handed over to the police officer at scene and was advised to lodge the police report. I believe that there was no attempt by the driver of SGC9001P to stop the vehicle as there was no braking marks seen on the road.

Validity of this estimate is 14 days from date of quote. This is a computer generated document, no signature is required. Estimated costs quoted are excluding GST. We would mention that the above estimate is based on our initial inspection and does not include any additional parts or labour which may be required after repair work has commenced. Occasionally worn or damaged parts are discovered after work has started and needed for repairs or replacement. However, should this occur, we would advise you. Please be informed that a deposit of 50% of the above estimate is payable before commencement of the work. Payment for this may be made in cash, credit card or cheque. You must also agree to pay full amount for renewal of the windscreen in the event of inadvertent breakage in the course of renewing the rubber seal or other repair requiring the removal of the windscreen.
