Describe Circumstances of the Accident

The accident happened at junction of North Bridge Road and Ang Mo Kio Ave 3. I drove into the yellow box while the traffic light is green and stopped inside the yellow box when the traffic light turned red, waiting for traffic in front of me to move. After the traffic light further down the road turned green and cars in front of me started to move, I proceeded to turn right. The car that eventually hit me appeared to be giving way. While I was turning right, there is another car that is proceeding on the lane that I was moving into. This car is speeding up and I have to stop to avoid a crash with this car. The car that was initially giving way hit my car, apparently driving too close and was not able to stop in time.
