Describe Circumstances of the Accident

Date of Accident: 10 Feb 2022.
Time of Accident: at about 7.05pm.
On the above date and time I was driving car SMJ4021G along Yishun Ave 2 towards Khatib MRT station. Passenger on board was my husband MASILAMANY GNANARAJ S1135403C.
It was raining heavily intermittently with light shower. I was driving on the outermost lane.
I wanted to switch lane to the left. I checked behind, to my side and blind spot. I saw that there was ample space for me to switch lane. The silver car was behind and there in the centre lane and there was about 2 car-3 car length for me to move in. Detail of silver car - SLE 6716S.
My car was almost fully in the lane when I heard a thump and felt a nudge.
I was moving slowly, signalling all the while because it was raining and I did not want to make sudden move.
The car that was behind me was now beside me. He had moved smoothly into the space beside my car. His right side view mirror hit my left side view mirror and he continued moving even after hitting.
He did not sound his horn and even or even try to move to take evasive action if he felt I was encroaching into space. Instead he proceeded to drive into my car, sticking to the lane.

I assumed he climbed out of his car. I went out too he asked me, "How" and suggested that I move the vehicles. I refused and took pictures. In a short while another blue sports car came. Veh. Reg No. SMY 861X. A thin Chinese guy came out and gave the driver instruction to get my drivers license. I asked him who he was. He pointed to the automobile company no. on the car regn. no. and said he was from the company.
At 20:24hrs
At 21:05hrs I noticed that I had a missed call from the driver. I returned the call immediately. The driver Mr Lim asked me to file an insurance report. I said I would. He then asked me how I was. I said I was okay. He asked if the kid who was the passenger was okay. I told it was a man and he was okay. For courtesy sake I asked him how he was. He said in a sleepish tone that he had slight body ache and he would see the doctor the next day. The call ended.

Declaration

I/We declare the foregoing particulars are true in every respect.
