Why conflicting ?? See Reports from our Insured – he admits changing and does not say TP was changing lane . Do we have CCTV footage to show that TP was changing ?

This statement weakens our position and does not support the sketch plan provided by our Insured. TP says his CCTV footage is overwritten now !

Can help please so that we can preserve our 50/50% in any way possible ???

Is Insured driver going to amend his statement ?

Best Regards,

Mekavathanan
