Sketch Plan

Describe Circumstances of the Accident

I checked left & right, made sure there were no cars. I started turning slowly towards the right. Suddenly, the Vespa dashed in front of me and I braked. After ~~brake~~ braking, the Vespa leaned into me and this resulted in the collision. My front was damaged but headlights were not damaged as I was turning very slowly. The other party's side doors were scraped but there was not much impact/dent inwards. There was a car parked illegally in front of the other party which I believe is why they leaned towards the right, resulting in the accident.

Declaration

We declare the foregoing particulars are true in every respect.
